PEDICURE

ENG

THE STALEKS PRO EXPERT SERIES ABRASIVE TOOL IS DESIGNED FOR PROFESSIONAL USE BY PEDICURE SPECIALISTS

- PODODISC pedicure disc is designed for hardware pedicure
- ensures high-quality and safe pedicure performance
- used with a wide variety of disposable files of different grit values
- foot file base designed for use with replaceable abrasive pads
- Expert White abrasive — high-quality, wear-resistant abrasive with special protection against organic dust, does not crumble during work, ensures effective foot processing, and does not soak in water
- Expert Black abrasive is the perfect solution for processing rough skin on the feet. Thanks to its physical properties and structure, it is ideally suited for professional use

SPA

LA HERRAMIENTA ABRASIVA STALEKS PRO DE LA SERIE EXPERT ESTÁ DISEÑADA PARA USO PROFESIONAL POR PARTE DE MAESTROS DE PEDICURA

- el disco de pedicura PODODISC está diseñado para pedicuras con aparatos
- permite realizar una pedicura segura y de alta calidad
- se utiliza con limas reemplazables de una amplia selección de granularidad
- base para un rallador de pies con limas reemplazables
- abrasivo blanco Expert White — abrasivo de alta calidad con alta resistencia al desgaste. Su recubrimiento especial evita que el abrasivo se obstruya con polvo orgánico durante el uso
- abrasivo negro Expert Black — gracias a sus propiedades físicas y estructura, es ideal para el tratamiento profesional de los pies

POR

A FINALIDADE DA FERRAMENTA COM ABRASIVO STALEKS PRO SÉRIA EXPERT É O USO POR PROFISSIONAIS DE PEDICURA

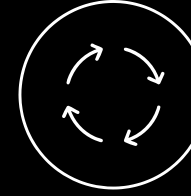

- o disco de pedicura PODODISC destina-se para a pedicura mecânica
- permite fazer uma pedicura de qualidade e segura
- utilizado com cartuchos intercambiáveis de grande variedade de grãos
- base de ralador para os pés com cartuchos intercambiáveis
- o abrasivo branco Expert White é de alta qualidade, resistente ao desgaste, com um revestimento especial que impede o acúmulo de poeira orgânica durante o trabalho
- o abrasivo negro Expert Black, devido às suas propriedades físicas e estrutura, é ideal para o tratamento profissional das plantas de pé

TUR

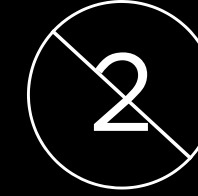

STALEKS PRO EXPERT SERISI AŞINDIRICILI ARAÇLAR PEDİKÜR USTALARININ PROFESYONEL KULLANIMI İÇİN TASARLANMIŞTIR

- PODODISC pedikür diski cihazlı pedikür için tasarlanmıştır
- kaliteli ve güvenli pedikür yapılmasına olanak tanır
- geniş grit seçenekli değiştirilebilir törpülerle kullanılır
- değiştirilebilir yüzeyli ayak törpü tabanı
- beyaz aşındırıcı Expert White — yüksek aşınma direncine sahip yüksek kaliteli aşındırıcı, özel kaplama çalışma sırasında aşındırıcının organik tozla tıkanmasını engeller
- siyah aşındırıcı Expert Black — fiziksel özellikleri ve yapısı sayesinde ayakların profesyonel işlemi için mükemmel uyum sağlar
